Standard Maintenance Agreement

HVACR1940-2b

Seasonal maintenance of your HVAC system can reduce monthly utility bills, extend the service life of equipment, and reduce failures during the season. Many extended warranties require seasonal maintenance to continue coverage of equipment.

A/C Responders offers three levels of service for your HVAC needs. Services are outlined below;

Silver Plan- 2 annual services

Spring

- Condenser Cleaning
- Filter Replacement (2-1" filters, \$12.00 value)
- Check Electrical Components and Connections
- Check and Adjust Freon Levels *(\$40 value)
- Check System Operation

Fall

- Inspect Heat Exchanger
- Check Gas Pressure
- Test for Carbon Monoxide Leaks (\$60 value)
- Check Safeties
- Filter Replacement (2-1" filters, \$12.00 value)
- Check System Operation

As low as **\$170**

Gold Plan- 4 annual services

Includes all the services of the **Silver Plan** and two additional Filter Replacements.

From **\$250**

Platinum Plan- 4 annual services

Includes services of the **Gold Plan** with the addition of an Evaporator Coil Cleaning (\$100 Value).

Only **\$315**

A service agreement with A/C Responders includes these additional benefits also;

- Priority Scheduling
- No After Hours or Emergency Fees
- 15% Discount on Service Calls

A service agreement is considered preventative maintenance and does not infer other or unforeseen problems will not arise. A/C Responders does not assume liability or responsibility for issues of water damage or any other issues between servicing.

* Up to 1 pound of R-410-A Freon, or a \$40 discount on R-22 Freon.
